

NOSTALGIA RADIO

SPONSOR SALUTE Our Community

Issue 13 • June 2015

CJNU is constantly rejuvenated by the support of the community from the outpouring of donations for our new transmitter, for our First Pledge Drive and last month, for our new webpage (cynu.ca).

As Winnipeg's only nonprofit community radio station, we try to support you with our music, our PSAs of your events and our attendance at your functions.
